QURAN COMPETITION

ABOUT THE ANNUAL QURAN COMPETITION PROGRAM

The Annual Quran Competition features participants from North America. It has become an annual cornerstone event within our community, inspiring bright minds and future generations to come.

Our main aim in having the competition year after year is to provide inspiration to us all to strengthen our relationship with the Quran.

OUR MISSION & VISION

We are driven to serve the Noble Qur'an of Allah by creating a platform in which young students of Qur'an in North America would find a source of encouragement and motivation to memorize and compete in the memorization and recitation of the Qur'an.

We hope to nurture a generation of young students who would pursue further Islamic knowledge and strive to become closer to Allah.
